

Christmas drinks party 2011

This was the third time we have co-hosted the Christmas drinks party with Weldon Flooring and it would appear that it is quickly becoming a hotly anticipated ticket. At one stage we were so inundated with acceptances we were beginning to wonder if the room would be large enough to accommodate all. Fortunately the Cavalry and Guards Club were extremely supportive and we managed to squeeze everyone in for what was a splendid evening.

Judging by the final refreshment bill everyone had a thoroughly good time and I am grateful to everyone for the kind messages of thanks. I was equally grateful to everyone who took part in our charity fundraising 'buy a bauble' event. A fantastic £900 was raised which was divided between The Royal British Legion and Shelter, hopefully we can repeat that success in 2012.

The Christmas drinks party has evolved out of our regular monthly Lunch Club, an event which in itself is proving to be much more popular than we could have imagined. We have already approached the stage where we will have entertained nearly 200 different guests from a wide range of businesses akin to sectors which Weldon's and we share. The Christmas event (which replaces lunch in December) enables us to include those guests which can't be accommodated during the year due to the limitations on hosting the more intimate lunches. This way we are able to see everyone at least once a year and we hope this year will be no exception.
