DESIGNERS & MAKERS OF FINE FURNITURE

Job Specification: Designer

Reporting to: The Contracts Director

We currently have a full time vacancy for a Designer; this rare opportunity to work for one of the industry's market leaders will provide a stimulating and demanding environment for personal development.

Working as part of a small team the successful candidate will experience the need to assess site suitability, taking accurate measurements at concept stage, produce designs relevant to client expectations, both in terms of performance and budget, identify variations from the initial brief and prepare a thorough handover for follow on departments.
